Dear [redacted]

STAT

I find I am going to have to be in Washington for an Air Force meeting on Dec. 15. I shall probably be tied up in the Pentagon all or most of that day but can stay over the 16th or part of it if we have business. I expect to get in sometime the 14th (no reservations yet) and will stay at the Cosmos Club. Will call you at home Sunday night if I am in by a seasonable hour. Otherwise, or if I don't reach you then, I'll call you at your office Monday and see what the score is.

The following will be our address at least until Christmas when [redacted] comes down to us for his vacation:

This is a beautiful, quiet spot, and I am beginning to unwind. God, but I was tired when I got here!

[redacted] joins me in warmest and best to all of you.

Yours,
